“My goal is to efficiently and effectively close deals for my clients, providing them with expert legal guidance and support throughout the transaction.”

Bridget specializes in commercial real estate transactions and corporate law. With experience in a wide range of complex legal matters, she strives to achieve favorable outcomes for her clients. Bridget assists clients with the acquisition, disposition, financing, development, and leasing of various types of properties, including office buildings, industrial facilities, telecommunications facilities, renewable energy developments, automotive retail centers, single family and multi-family communities, and mixed-use projects. She has a passion for community development projects and has assisted leading nonprofit organizations, investors, and developers in navigating the regulatory landscape to bring more affordable housing to Metro Detroit.

Bridget also guides clients through entity formation, corporate governance, mergers, acquisitions, and compliance matters. She works closely with corporate clients to develop effective legal strategies to support their business goals while minimizing legal risks.
