“ I integrate deep technical knowledge and legal expertise to help clients navigate IP challenges in a rapidly evolving tech landscape.”

Jaafer is pursuing his J.D. at the University of Detroit Mercy School of Law, where he was awarded the Intellectual Property Law Fellowship. He holds a degree in Electrical Engineering from the University of Michigan–Dearborn and has experience in energy operations, hardware design, and technical project management.

He leverages his technical expertise and legal education to guide clients through intellectual property issues and technology-driven matters.
