law for business®

## Important Message for Our Clients

---

Howard & Howard's top priority remains the health and safety of all our employees, clients, and colleagues around the country, while continuing to provide legal solutions throughout this evolving COVID-19 climate. Following guidance from our government and local health officials, our teams are working remotely while we also maintain essential personnel in each of our offices to continue to meet your legal needs.

Your committed Howard & Howard team stands ready to assist you throughout this crisis. We are focused on delivering the exceptional service, cutting-edge strategy, and timely solutions you have grown to expect, even during these challenging times. Rest assured, our Firm has invested in the technology necessary to effectively provide seamless and uninterrupted legal services to the clients we serve.

Howard & Howard is continually monitoring the COVID-19 situation. Please reach out to your Howard & Howard attorney for advice and counsel during this uniquely challenging time.

Sincerely,

Mark A. Davis  
Chief Executive Officer  
Howard & Howard Attorneys PLLC
